Board of Trustees

Dear EAAECS Staff and Community,

On behalf of the Board of Trustees, I want to take this opportunity to welcome the EAAECS Staff and Community to the start of the 2021/2022 school year.

We have just completed the first full week of school since the start of the pandemic in March 2020. The Easton Arts Academy has many activities and events planned for the school year and it is promising to be an exciting year for students, staff, and community.

Please be assured that, no matter what the circumstances are, the school is prepared to provide a quality educational opportunity for the students.

The Board of Trustees wishes the best to the entire community as we move forward with the 2021/2022 school year.

Respectfully,
Linda Fisher, President
Board of Trustees, EAAECS
